

Press release from the Mayor of Southwark

'It was an honour and a delight for the Deputy Mayor, Past Mayor and myself to be able to meet with the walkers from the Highground Charity on their Bridge2far walk as they passed through our borough. I personally found it inspiring to hear some of the stories of those who were taking part and how the event had to overcome so many obstacles to be able to take place during the on-going pandemic. I send my warmest congratulations to all who took part both in person and virtually and hope #B2Far can become an annual event.'

*The Worshipful the Mayor of Southwark
Cllr Sandra Rhule*
