## HOW YOUR DONATION WILL HELP US

### LAND-BASED EMPLOYMENT

Thanks to The Royal Foundation and other generous donors, we are now recruiting for our first Rural Employment Manager.

### HORTICULTURAL THERAPY AT STANFORD HALL

We need to buy 2 new hoses – a retractable one for watering the raised beds (£140) and one for the greenhouse (£120).

It costs the Charity £92 to deliver a 30 minute session to one of DMRC's patients. In 2020 we will deliver 1,250 sessions and fundraising is under way to ensure we can keep delivering this unique and increasingly well used service.

### FRIENDS OF HIGHGROUND

When the Friends attend shows to raise awareness of the Charity's work, we need to give them a 'show pack' consisting of a banner, branded tablecloth, collecting tins and Friends Newsletters to make sure our brand and message are consistently and professionally delivered.

Each show pack costs the Charity £650 and we are actively seeking financial support for this.

If you can help with any of the above, do please contact Anna for more information. Thank-you in advance.
